

Hon. Candice Bergen, P.C.

Member of Parliament for Portage—Lisgar
Députée de Portage—Lisgar

April 26th, 2018

Dear Constituent,

Thank you for taking the time to write to me and share your concerns over the Liberal Government's use of escalator taxes. I share your concerns, and appreciate hearing from constituents on important matters such as these.

Justin Trudeau and his Liberal Government have shown time and again that they cannot be trusted with Canada's finances. In order to continue their reckless spending spree, the Liberals have nicked and dimed Canadians at every turn since coming to power. The latest budget contains an 18.1 billion dollar deficit, and absolutely no plan to return to balance. The use of an escalator tax is a prime example of how the Liberals are taxing hardworking Canadians simply because they can, and not for any specific purpose or project. Meanwhile they continue to protect themselves and their wealthy friends from the increased financial burden they are placing on small businesses and the middle class.

As Canada's Conservatives we will continue to hold the Liberals to account, and fight for policies that put Canadians before Government, not the other way around. Thank you again for taking the time to write to me. If I can be of further assistance on this or any other issue please don't hesitate to contact my office.

Sincerely,

Hon. Candice Bergen, P.C.
Conservative House Leader
