

Hon. Candice Bergen, P.C.

Member of Parliament for Portage—Lisgar

Députée de Portage—Lisgar

April 2nd, 2018

Dear Constituent,

Thank you for your message regarding S-229 and the need to safeguard our underground infrastructure. Your thoughts are appreciated and taken into consideration.

I understand and fully agree that we must ensure our infrastructure is well maintained and protected from natural or intentional damage, and protect our investment in Canada's infrastructure. S-229 is a bill that originated in the Senate, and has yet to be tabled in the House of Commons. I am looking forward to the bill being introduced, and having a fulsome discussion with my colleagues at that time in order to determine whether or not I intend to support it.

Thank you again for writing about this important issue. If I can be of further assistance on this or any other matter please don't hesitate to contact my office.

Sincerely,

Hon. Candice Bergen, P.C.
