*Member of Parliament for Portage—Lisgar
Députée de Portage—Lisgar*

December 22nd, 2017

Dear Constituent,

Thank you for sharing your insights on the taxation of medical cannabis. Your concerns are appreciated and taken into consideration.

This Liberal Government is desperate to find new revenue in order to fund its out of control spending. In order to try and finance their massive deficits we have already seen them try to tax employee health benefits, discounts, small businesses, and family farms. We also now know that the CRA has changed its criteria in order to ensure that people afflicted with Type 1 Diabetes are no longer eligible for the Disability Tax Credit. Unfortunately, it seems that even the most vulnerable aren't immune from Liberal greed, even if that means raising the price of a substance prescribed by your doctor.

Again, thank you for taking the time to contact me with your concerns. Should you require any assistance on this or any other matter, please feel free to contact me.

Sincerely,

Hon. Candice Bergen, P.C.
