

## Hon. Candice Bergen, P.C.

*Member of Parliament for Portage—Lisgar*

*Députée de Portage—Lisgar*

September 22, 2016

Dear Constituent,

Thank you for taking the time to write me with your support for Private Member's Bill C-255, Cassie and Molly's Law. I always enjoy hearing from my constituents. My voting record in the House of Commons is an indication of where I stand on the value of the life of preborn children.

My colleague, Cathay Wagantall, introduced Bill C-255, because she wanted to fill the gap in the Criminal Code by adding new sentences when an offender harms a woman and her preborn child. This is a precise and robust bill, designed to deter senseless crimes against women. This is an issue that many of my constituents have contacted me about and have voiced their support for. Clearly based on the polls you have provided links for, the majority of Canadians feel the same.

I look forward to participating in the debate when the bill returns to the House of Commons for second reading. I also look forward to voting in support of this legislation when the opportunity arises. Again, thank you for taking the time to write me about this issue. Please feel free to contact my office if you have any further questions.

Regards,

Hon. Candice Bergen, P.C., M.P.  
Member of Parliament  
Portage-Lisgar
