

Hon. Candice Bergen, P.C.

Member of Parliament for Portage—Lisgar

Députée de Portage—Lisgar

Dear Constituent,

Thank you for your letter and for expressing your concerns on Bill C-71. I enjoy hearing from Canadians across the country on this issue. Bill C-71 is an insult to law abiding firearms owners and Conservatives strongly oppose this legislation.

Canada's Conservatives believe that the safety of Canadians should be the number one priority of any government. This legislation does nothing to address violence in both urban and rural communities and instead, re-introduces a wasteful and ineffective firearms registry. Clearly, Justin Trudeau and his Liberal Government cannot be trusted when it comes to firearms legislation. They have failed to go after criminals who use guns to commit violent crime, while treating law abiding firearms owners as criminals.

Conservatives will continue to fight for concrete actions to keep Canadians safe and focus our efforts on the criminal element behind firearms violence and will continue to oppose this bill.

Thank you again for writing and sharing your concerns on this legislation. Please be assured that Canada's Conservatives will strongly oppose this legislation and stand up for law abiding gun owners in Canada.

Sincerely,

Hon. Candice Bergen, P.C., M.P.
