*Députée de Portage—Lisgar*

September 20, 2017

Dear Constituent,

Thank you for your email regarding the Liberal's proposed tax increases on small businesses. I always enjoy hearing from my constituents. Your thoughts are appreciated and taken into consideration.

I fully agree with you and the millions of Canadians that are opposed to the Liberal's tax changes. Justin Trudeau will drive our local small business owners and farmers away from Canada and others out of business if they go through with these tax changes.

It is completely unfair to raise taxes on local small business owners who create jobs and prosperity. Small business owners take huge risks and work long hours for sometimes little reward. Justin Trudeau is forcing these hard working Canadians to pay for his outrageous spending problem by taking away legal tax tools.

Conservatives will continue to vigorously oppose Justin Trudeau's attack and tax increase on small business owners and make sure that the voices of these individuals and their families are heard. Conservatives support policies that will reduce the tax burden for smaller businesses and reduce government red tape to allow entrepreneurs to create jobs in their communities.

Thank you again for taking the time to write to me. If my office can be of any further assistance on this or any other matter, please feel free to contact me.

Sincerely,

Hon. Candice Bergen, P.C., M.P.  
Conservative House Leader
